To,
The Managing Director
Mumbai Metro Rail Corporation Limited (MMRCL)
Bandra-Kurla Complex (BKC)
Mumbai – 400051

Subject: Submission of Technical Bid for Providing A/C & Non A/C Vehicles on Monthly Rental and Daily Basis for the Year 2023–24

Tender No.: MMRCL/Admin/Rental Vehicle/2023/E-Tender (1st Call)

Dear Sir/Madam,

We, **Shivansh Transport & Logistics Pvt. Ltd.**, hereby submit our Technical Bid in response to the above-mentioned tender invited by Mumbai Metro Rail Corporation Limited (MMRCL) for providing A/C and Non A/C vehicles on a monthly rental as well as daily usage basis.

We confirm that we have carefully reviewed and fully understood all the terms and conditions, scope of work, eligibility requirements, and technical specifications as outlined in the tender document. We hereby express our interest and commitment to execute the work in strict accordance with the requirements of MMRCL.

Our organization has over **8 years of experience** in providing reliable and efficient transportation services to government departments, public sector undertakings, and private organizations. We currently manage a fleet of more than **65 vehicles**, including sedans, SUVs, and utility vehicles, all maintained to high operational and safety standards. Our services are supported by trained drivers, 24×7 operational support, and a dedicated maintenance team.

We assure you that:

- All vehicles deployed will be in excellent condition, well-maintained, and compliant with applicable regulatory norms.
- Drivers will be experienced, properly licensed, and trained in professional conduct and safety practices.
- Timely availability of vehicles and uninterrupted service will be ensured at all times.

- We possess the required infrastructure, manpower, and financial capability to successfully execute the contract.

We also confirm that our company is not blacklisted or debarred by any Government or Public Sector organization and has a proven track record of successful contract execution.

We are enclosing all necessary documents, certificates, and details as part of this Technical Bid for your kind evaluation. We request you to kindly consider our bid and provide us with an opportunity to serve your esteemed organization.

Thank you for your time and consideration.

Yours faithfully,

Rahul Kumar

BIDDER PROFILE

1. COMPANY OVERVIEW

XYZ Enterprises Private Limited is a professionally managed organization engaged in providing comprehensive transportation and fleet management services across major cities in India. Established in the year **2016**, the company has built a strong reputation for reliability, efficiency, and high-quality service delivery, particularly in handling government and institutional contracts.

With a focus on operational excellence and customer satisfaction, the company specializes in providing A/C and Non A/C vehicles on both **monthly rental** and **daily usage basis**, catering to diverse client requirements. Over the years, XYZ Enterprises has successfully executed multiple contracts for government bodies, PSUs, and private sector clients.

2. CORE SERVICES

The company offers a wide range of transportation solutions, including:

- Monthly rental vehicle services (long-term deployment)
 - On-demand daily vehicle services
 - Corporate transportation and staff mobility solutions
 - Airport transfers and VIP movement services
 - Event-based transportation management
 - 24×7 fleet support and emergency vehicle deployment
-

3. ORGANIZATIONAL STRENGTH

- **Total Experience:** 8+ Years
 - **Total Fleet Strength:** 70+ Vehicles
 - **Operational Cities:** Mumbai, Navi Mumbai, Thane, Pune
 - **Number of Employees:** 45+ (including drivers and support staff)
 - **Dedicated Operations Team:** Available 24×7
-

4. FLEET COMPOSITION

The company maintains a diverse and well-maintained fleet, including:

- Sedans (Dzire, Etios, Honda Amaze)
- SUVs (Ertiga, Innova, Scorpio)
- Premium Vehicles (Innova Crysta, Hyundai Alcazar)
- Utility Vehicles (Bolero, Tata Sumo – Non A/C)

All vehicles are regularly serviced, insured, and compliant with RTO and safety regulations.

5. KEY STRENGTHS

- Proven track record of executing government contracts
 - Well-maintained and regularly serviced vehicle fleet
 - Professionally trained and verified drivers
 - Strong backup system ensuring zero service interruption
 - GPS-enabled tracking for vehicle monitoring
 - Quick response time and 24×7 operational support
-

6. CLIENT PROFILE (MAJOR CLIENTS)

- Municipal Corporation of Greater Mumbai (MCGM)
 - Maharashtra State Electricity Distribution Company Ltd. (MSEDCL)
 - Public Works Department (PWD), Maharashtra
 - Larsen & Toubro Limited (L&T)
-

7. QUALITY & SAFETY COMMITMENT

XYZ Enterprises Private Limited is committed to maintaining the highest standards of safety and service quality. All vehicles undergo periodic maintenance checks, and drivers are trained in road safety, customer handling, and emergency response protocols.

1	Mumbai Metro Line Contractors	Staff and official vehicle deployment	85 Lakhs	Jan 2024
2	Reliance Infrastructure Ltd.	Fleet services for project sites	60 Lakhs	Aug 2023

4. NATURE OF SERVICES PROVIDED

- Deployment of A/C and Non A/C vehicles on monthly rental basis
- On-demand daily vehicle services
- Driver provisioning with background verification

- 24×7 operational support and emergency replacement
- GPS tracking and reporting systems
- Preventive maintenance and service scheduling

5. PERFORMANCE HIGHLIGHTS

- Successfully maintained **98% uptime** across all contracts
- Ensured **zero major service disruptions** during contract periods
- Received positive feedback from multiple government clients
- Maintained strict compliance with contractual and safety requirements

6. SUPPORTING DOCUMENTS

Copies of work orders, completion certificates, and client feedback letters for the above-mentioned projects are enclosed in the annexure section for verification.

FLEET DETAILS (A/C & NON A/C VEHICLES)

1. OVERVIEW OF FLEET

XYZ Enterprises Private Limited maintains a well-diversified and fully operational fleet of vehicles to meet varying client requirements. The company currently operates a fleet of **70+ vehicles**, including both A/C and Non A/C categories, suitable for official, field, and utility purposes.

All vehicles are owned or long-term leased and are maintained in excellent working condition to ensure reliability and uninterrupted service.

2. CATEGORY-WISE FLEET DISTRIBUTION

Sr. No.	Vehicle Type	Model Examples	A/C / Non A/C	Number of Vehicles
1	Sedan	Swift Dzire, Toyota Etios, Amaze	A/C	20
2	Multi Utility Vehicle	Maruti Ertiga	A/C	10
3	SUV	Mahindra Scorpio, Toyota Innova	A/C	15

Sr. No.	Vehicle Type	Model Examples	A/C / Non A/C	Number of Vehicles
4	Premium Vehicles	Innova Crysta, Hyundai Alcazar	A/C	8
5	Utility Vehicles	Mahindra Bolero, Tata Sumo	Non A/C	12
6	Backup / Standby Fleet	Mixed Category	A/C & Non A/C	5

3. VEHICLE CONDITION & COMPLIANCE

All vehicles deployed by the company comply with statutory and safety requirements:

- Valid Registration Certificate (RC)
- Commercial permits and fitness certificates
- Comprehensive insurance coverage
- Pollution Under Control (PUC) certification
- Regular servicing and maintenance records

Vehicles are typically **not older than 5 years**, ensuring better performance, safety, and reliability.

4. MAINTENANCE PRACTICES

- Periodic servicing at authorized service centers
 - Preventive maintenance schedules for all vehicles
 - Immediate replacement in case of breakdown
 - Daily inspection before deployment
 - Dedicated maintenance team for fleet upkeep
-

5. DRIVER DETAILS

- All drivers are **licensed and experienced**
 - Background verification and police verification completed
 - Trained in safe driving practices and professional conduct
 - Familiar with city routes and emergency handling
-

6. TECHNOLOGY & TRACKING

- GPS-enabled tracking systems in major vehicles
- Real-time monitoring of vehicle movement
- Centralized control system for dispatch and coordination

- Quick response mechanism for emergency requirements
-

7. DEPLOYMENT CAPABILITY

The company has the capability to deploy required vehicles within **24 hours of work order issuance** and can scale operations based on demand without compromising service quality.

FINANCIAL CAPACITY & TURNOVER DETAILS

1. FINANCIAL OVERVIEW

XYZ Enterprises Private Limited is financially stable and capable of executing large-scale transportation contracts. The company has demonstrated consistent growth in turnover over the past three financial years, reflecting strong operational performance and business expansion.

The company maintains proper books of accounts, which are audited annually by a certified Chartered Accountant, and complies with all statutory financial requirements.

2. ANNUAL TURNOVER DETAILS (LAST 3 YEARS)

- **Net Worth (as on 31 March 2023):** INR 1.85 Crore
 - The company maintains a positive net worth with steady financial growth.
-

4. BANKING DETAILS

Name of Bank: HDFC Bank Ltd.

Branch: Andheri East, Mumbai

Account Type: Current Account

Account Number: 50200012345678

IFSC Code: HDFC0001234

The company maintains a healthy banking relationship and has no record of loan defaults or financial irregularities.

5. FINANCIAL CAPABILITY STATEMENT

The company confirms that it has sufficient financial resources, working capital, and credit facilities to undertake and successfully execute the contract without any financial constraints.

6. AUDIT & CERTIFICATION

- Financial statements are audited by a Chartered Accountant.
 - Copies of audited balance sheets and profit & loss statements for the last three financial years are enclosed in the annexure section.
-

7. DECLARATION

We hereby declare that the financial information provided above is true and based on audited financial records of the company.

DECLARATION OF NON-BLACKLISTING

1. DECLARATION

We, **XYZ Enterprises Private Limited**, hereby solemnly declare that:

- The company has **not been blacklisted, debarred, or banned** by any Central Government, State Government, Public Sector Undertaking (PSU), or any other Government authority in India.
 - No criminal case or legal proceeding is pending against the company that would affect its ability to execute the contract.
 - The company has not been involved in any fraudulent, corrupt, or unethical practices in any previous contracts.
 - All past contracts have been executed satisfactorily without any major disputes or terminations due to non-performance.
-

2. UNDERTAKING

We further undertake that:

- In case any information provided in this declaration is found to be false or misleading, the tendering authority shall have the full right to **reject our bid** or **terminate the contract**, if awarded.
 - We shall immediately inform the authority if any such situation arises in the future during the tender process or contract period.
-

3. CONFIRMATION

This declaration is made voluntarily and with full understanding of its implications for participation in the tender process.

UNDERTAKING FOR COMPLIANCE WITH TENDER CONDITIONS

1. UNDERTAKING

We, **XYZ Enterprises Private Limited**, hereby undertake that we have carefully read, understood, and examined all the terms and conditions, scope of work, eligibility criteria, technical specifications, and instructions provided in the tender document issued by Mumbai Metro Rail Corporation Limited (MMRCL).

We confirm our unconditional acceptance of all the terms and conditions of the tender and agree to abide by them in full.

2. COMPLIANCE CONFIRMATION

We hereby confirm that:

- We shall comply with all technical specifications and service requirements as defined in the tender document.
 - All vehicles deployed will meet the prescribed standards, including safety, documentation, and operational requirements.
 - We will ensure timely deployment of vehicles and uninterrupted service throughout the contract period.
 - We will comply with all statutory regulations, including transport laws, labour laws, and taxation requirements.
 - We will maintain proper records and provide reports as required by the authority.
-

3. CONTRACTUAL OBLIGATIONS

In the event of award of the contract, we undertake:

- To execute the agreement within the stipulated time frame.
 - To provide services as per agreed timelines and service levels.
 - To adhere to penalty clauses and performance conditions specified in the tender.
 - To maintain confidentiality of all official information related to the contract.
-

4. VALIDITY OF BID

We agree that our bid shall remain valid for a period of **90 days** from the date of submission and shall be binding upon us during this period.

5. AUTHORITY ACKNOWLEDGEMENT

We understand that the tendering authority reserves the right to:

- Accept or reject any or all bids without assigning any reason.
 - Cancel the tender process at any stage.
 - Seek clarifications or additional documents during evaluation.
-

6. DECLARATION

We hereby declare that we have not taken any deviation from the tender conditions and the bid is submitted in full compliance with the requirements.

TECHNICAL COMPLIANCE STATEMENT

1. COMPLIANCE SUMMARY

XYZ Enterprises Private Limited hereby submits its technical compliance against the requirements specified in the tender document issued by Mumbai Metro Rail Corporation Limited (MMRCL).

We confirm that all specifications, conditions, and service requirements have been carefully reviewed, and our services fully comply with the stated requirements.

2. DETAILED COMPLIANCE TABLE

3. DEVIATION STATEMENT

We hereby confirm that:

- There are **no deviations** from the technical specifications and requirements mentioned in the tender document.
 - All requirements are fully complied with without any conditions or exceptions.
-

4. SUPPORTING DOCUMENTS

Relevant supporting documents, including vehicle details, registration certificates, and experience records, have been enclosed in the annexure section for verification.

5. DECLARATION

We certify that the information provided in this compliance statement is accurate and reflects the actual capability of the company.

MANPOWER & OPERATIONAL CAPABILITY

1. OVERVIEW

XYZ Enterprises Private Limited has a well-structured organizational setup supported by experienced manpower and an efficient operational system. The company ensures seamless coordination between drivers, operations team, and clients to deliver reliable transportation services.

2. ORGANIZATIONAL STRUCTURE

The company operates through a defined hierarchy to ensure smooth functioning:

- **Chairperson** – Overall supervision and strategic decisions
 - **Operations Manager** – Day-to-day operations and fleet coordination
 - **Fleet Supervisors** – Vehicle allocation and monitoring
 - **Drivers** – Vehicle operation and customer interaction
 - **Support Staff** – Maintenance, documentation, and backend support
-

3. MANPOWER DETAILS

Category	Number of Personnel
Operations Manager	1
Fleet Supervisors	3
Drivers	60
Maintenance Staff	6
Administrative Staff	5
Total	75

4. DRIVER MANAGEMENT

- All drivers possess valid commercial driving licenses
- Police verification and background checks completed
- Trained in safe driving practices and professional conduct
- Familiar with Mumbai and surrounding regions

- Regular training sessions conducted for safety and service quality
-

5. OPERATIONAL SYSTEM

The company follows a structured approach for operations:

- Centralized control for vehicle allocation and scheduling
 - 24×7 helpline for client support and issue resolution
 - Quick replacement mechanism in case of vehicle breakdown
 - Daily reporting and monitoring of vehicle usage
 - Proper documentation and record maintenance
-

6. RESPONSE & DEPLOYMENT CAPABILITY

- Vehicles can be deployed within **24 hours** of requirement
 - Emergency replacement vehicles available within **2–3 hours**
 - Backup drivers available for continuous service
 - Ability to scale operations based on demand
-

7. CLIENT SUPPORT SYSTEM

- Dedicated point of contact for coordination
 - Immediate response to complaints or service issues
 - Regular feedback collection and performance improvement
 - Transparent communication and reporting
-

8. STRENGTHS

- Strong manpower base ensuring uninterrupted operations
 - Efficient coordination between field and office teams
 - Proven ability to handle large-scale contracts
 - Reliable service delivery with minimal downtime
-

SAFETY, MAINTENANCE & QUALITY ASSURANCE MEASURES

1. SAFETY POLICY

XYZ Enterprises Private Limited places the highest priority on safety and is committed to ensuring safe transportation services for all passengers and personnel. The company follows strict safety protocols aligned with applicable transport and regulatory standards.

2. VEHICLE SAFETY MEASURES

- All vehicles are regularly inspected for roadworthiness
 - Functional seat belts provided in all vehicles
 - Fire extinguisher and basic first-aid kit available in designated vehicles
 - Proper lighting systems and indicators maintained
 - Tyres, brakes, and engine condition checked periodically
-

3. DRIVER SAFETY PRACTICES

- Drivers are trained in defensive driving techniques
 - Strict adherence to speed limits and traffic regulations
 - Prohibition of alcohol or substance use while on duty
 - Mandatory rest intervals to avoid fatigue
 - Immediate reporting of any incidents or hazards
-

4. PREVENTIVE MAINTENANCE SYSTEM

The company follows a proactive maintenance strategy:

- Scheduled servicing at authorized service centers
 - Routine inspection of engine, brakes, and critical components
 - Maintenance logs maintained for each vehicle
 - Immediate corrective action in case of faults
 - Replacement vehicles provided during servicing or breakdown
-

5. QUALITY ASSURANCE MEASURES

- Regular monitoring of vehicle performance and condition
 - Periodic feedback collection from clients
 - Continuous improvement based on service reviews
 - Standard operating procedures (SOPs) for service delivery
 - Dedicated supervision for maintaining service standards
-

6. EMERGENCY RESPONSE MECHANISM

- 24×7 support team for handling emergencies
- Quick vehicle replacement in case of breakdown
- Immediate escalation system for critical issues
- Coordination with local authorities if required

7. COMPLIANCE WITH REGULATIONS

The company ensures compliance with all applicable norms, including:

- Motor Vehicles Act and RTO guidelines
- Pollution and environmental standards
- Insurance and liability coverage requirements
- Labour safety and welfare regulations

8. CONTINUOUS IMPROVEMENT

XYZ Enterprises Private Limited is committed to continuously improving its safety and quality standards through regular reviews, training programs, and adoption of best practices in fleet management.

LIST OF ONGOING CONTRACTS

1. OVERVIEW

XYZ Enterprises Private Limited is currently executing multiple transportation and fleet management contracts for government agencies and private organizations. These ongoing assignments demonstrate our operational capability, resource availability, and ability to manage concurrent projects efficiently.

2. DETAILS OF ONGOING CONTRACTS

Sr. No.	Client Name	Scope of Work	Contract Value (INR)	Start Date	Expected Completion
